

MEMORANDUM FOR: Mr. Dulles *awfz*

You asked what the people were doing with regard to the query from [REDACTED] for the Community views regarding the status of Soviet ICBM, etc.

25X1A6a

Attached are two cables which were sent in response to the [REDACTED] inquiry; one outlining the status of Soviet ICBM, and the second commenting on the relationship of the Soviet announcement of the seven-year plan for ICBM and the surprise attack talks.
